

## DENS 3561 MEDICAL PHARMACOLOGY 2008

### Spring Semester Schedule

Course Coordinator: Jarvis Chan, D.D.S., Ph.D.; (X-4508; DBB 403; [Jarvis.Chan@uth.tmc.edu](mailto:Jarvis.Chan@uth.tmc.edu))

Times: Thursday – 8:00 – 9:50 am

Room: DBB 207

In Medical Pharmacology, you will study the drugs which many of your patients may be taking for a variety of medical problems. As a dentist, you must be prepared to assess the medical conditions of your patients and the impact that they will have on dental treatment.
